

SALINA

skin-caring washing lotion

- with fresh lemon scent
- pH skin-neutral
- contains moisturizers for skin care

- ✓ pH skin-neutral
- ✓ refatting
- ✓ free from alkalis and soap

PRODUCT PROPERTIES

SALINA washing lotion is a mild cleansing, pH skin-neutral washing lotion for frequent, intensive washing of skin and hands. Skin-caring and refatting ingredients protect the physiological integrity of the skin and protect the skin from drying-out.

The soft and creamy **SALINA** washing lotion cleanses mildly and is economical to use.

APPLICATION

Washing of hands and skin, baths, shower-baths.

RANGE OF APPLICATIONS

- For gentle washing of hands:
SALINA washing lotion is well suited for cleansing hands before surgical hand disinfection and after hygienic hand disinfection.
- For washing patients and baths.
- In all cases of soiling which require a mild cleansing of the skin.
